Students will be expected to:

- Have excellent attendance; there is no substitute for supervised clinical time
- Consistently maintain professionalism in clothing, communication, and attitude
- Work in a fast-paced, high-energy environment with strong odors and loud noises
- Interact with, and work on live clients in the HACTC salon
- Participate in work-based learning in local salons
- Manage time with self-direction, motivation, organization and engagement
- Maintain appropriate pacing in academic curriculum and clinical hours
- Work on academics outside of class time (average of 1 hour each day)
- Complete long-term research projects, and present findings
- Work with chemistry, geometry, fractions, ratios, proportions and finance
- Master science-heavy vocabulary
- Use effective fine-motor skills, and hand-eye coordination with attention to detail
- Transition quickly between academic tasks and clinical activities
- Build and maintain a digital portfolio of classwork
- Participate in Future Business Leaders of America (FBLA)
- Attend outside, off campus events, field trips, trainings
