THE ANNE BRADLEY EMERSON AWARD

Since 1996, the Quechee Garden Club has awarded a scholarship to a deserving student from the local area. The amount of this year's award will be \$2,000.00. The scholarship is based on academic performance and need, and it is open to graduating students from Hartford High School, Hartford Career and Technical Center, and the Mid-Vermont Christian High School. The award is made to a student anticipating further study in the fields of horticulture, botany, agriculture, forestry, conservation, landscape architecture, environmentally allied studies and strongly related business management fields.

Applications are made available to the schools by mid March. Completed applications must be sent by email to husky3x@comcast.net or mailed to the Quechee Garden Club no later than May 3, 2021. Working in consultation with the guidance counselors and appropriate teachers, we announce the award to the student by congratulatory letter and/or at an awards ceremony. Payment of the award is made at the end of the student's first semester of college. Prior to the check being issued, a copy of payment for the second semester and/or a letter from the college stating that the student is still enrolled must be sent to the Quechee Garden Club. These measures ensure that the student is sincere in the choice and continuity of study.

Anne Bradley Emerson Scholarship

QUECHEE GARDEN CLUB

Goal: *To assist in the student's further education in Horticulture related studies*

Name _____ Telephone _____

Address _____

Email _____

Parents (Names) _____

Occupations: Father _____ Mother _____
